Eleventh Street Church of God

May Newsletter 2023

Faith Promise is a one-year pledge to give an amount of money that is above and beyond what you currently give or tithe. The whole process is to be carried out in faith, trusting God to supply our needs. The Faith Promise offerings are used by Eleventh Street to support our missionaries based on the commitments received from our church family. **Our goal for this year's campaign is to raise \$15,000 for missions.**

Here is the schedule of events for this weekend.

- **5:30 pm Saturday evening, May 20th:** carry-in dinner in our Fellowship Hall. Each family is asked to bring their own table service, a main dish and a side dish or dessert. Following the meal, Pastor Ben Kariuki, Executive Director of the Total Living Center, will share with us about the work they do here in Canton and that Eleventh Street COG supports.
- **10:30 am Sunday morning, May 21st:** during our regular morning worship time, Pastor Ben will again share with us and bring the morning message.

Please set aside this Faith Promise Weekend and plan to join with your church family as we celebrate how God has been faithful in the past, as well as dream together about how we can bless the many missions of our church.

Eleventh Street Church of God Mother's Day Project 2023

This year we have chosen Central American Medical Outreach for our Mother's Day Project. CAMO is based out of Orville, Ohio and they provide more than 140,000 life-saving services each year to impoverished people who otherwise would not have access to aid. The CAMO model was designed by founder Kathryn Tschiegg, after her experience in Peace Corps. During her service, she witnessed the daily loss of an incredible number of infants due to the lack of basic life-saving resources available in Central America. CAMO's initial focus was to provide equipment, supplies and education to Honduran doctors and nurses so they would have the tools to save lives. As a result, an average of 150 infants per year go home alive in their parents' arms instead of resting in wooden boxes. From CAMO's first program, 18 other programs have branched off, bringing services to meet the needs that otherwise would not have been met.

One of those other programs is their dental program. CAMO's dental program serves over 26,000 children a year. Each month, CAMO sends 6 brigades to remote Honduran villages to teach children about dental hygiene and to provide yearly check-ups, cleanings, fillings and dental kits. For our Eleventh Street Church of God Mother's day project we will be donating dental kits to CAMO. Included with this letter we have given you a list of the items CAMO would like us to include in our kits.

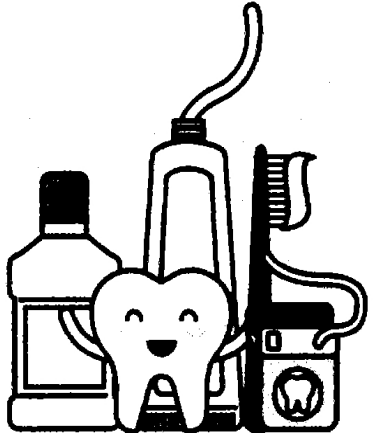

Please place your donations on our designated table in the church Narthex by Sunday, May 28th. Any other Monetary donations can be placed in the offering. (Make sure to mark on your envelope that it is for our Mother's Day Project) We will also have envelopes available on the table in the Narthex. **If you would like you can put together your own kit or on Wednesday, May 31st at 11:30am we will get together in our fellowship hall to put our dental kits together and pack up additional items to be donated.**

Together we can help CAMO with their mission as a humanitarian organization to improve the quality of life of people in Central America.

Kids Dental Kits consist of:

-  Tooth brush
-  Toothpaste
-  Dental floss
-  Bar of soap
-  Wash cloth (optional)

Instructions: pack each kit in Ziploc bag
