June Newsletter 2023

**Father's Day Project | Central American Medical Outreach**  
**Father's Day Sunday | June 18th 2023 | 10:30 am**

This year we have chosen Central American Medical Outreach for our Father's Day Project. CAMO is based out of Orville, Ohio and they provide more than 140,000 life-saving services each year to impoverished people who otherwise would not have access to aid. The CAMO model was designed by founder Kathryn Tschiegg, after her experience in Peace Corps. During her service, she witnessed the daily loss of an incredible number of infants due to the lack of basic life-saving resources available in Central America. CAMO's initial focus was to provide equipment, supplies and education to Honduran doctors and nurses so they would have the tools to save lives. From CAMO's first program, 18 other programs have branched off, bringing services to meet the needs that otherwise would not have been met.

One of those additional programs is the dental kits we put together for our Mother's Day project. For our Father's Day Project we decided it would be nice to do another kit for CAMO. We chose to do the school supplies kits. These kits will go out to family's and children in need in Santa Rosa De Copan in Honduras. The kits help make sure the children have all the supplies they need for school. Enclosed with this letter is a list of supplies needed for the school supplies CAMO kits.

*Please place your donations on our designated table in the church Narthex by Sunday, June 25th.* Any other Monetary donations can be placed in the offering. (Make sure to mark on your envelope that it is for our Father's Day Project) We will also have envelopes available on the table in the Narthex. Together we can help CAMO with their mission as a humanitarian organization to improve the quality of life of people in Central America. Thank you for your generosity!

Here are some of the supplies you can help with!

- ✂ Pencil boxes
- ✂ Backpacks
- ✂ Erasers
- ✂ Scissors
- ✂ Glue

- ✂ Crayons
- ✂ Markers
- ✂ Staplers
- ✂ Rulers
- ✂ Notebooks

Instructions: if making kits, fill pencil box with varied supplies that fit. If you're not making kits, just put them in a box and give us a call...we can pick them up.
